

PRAY!

“Pray!”: Philippians 4:4-7

February 19, 22,23: Ken Philbeck, East Campus Pastor

Prayer is not about changing things, prayer is about being changed.

When we turn from God’s word for direction and peace – the options in our life are:

- Worry
- Panic
- Discouragement
- Fear

This Book, the Bible, is about learning to follow through the valleys with the confidence that God is in control and that His purposes will not be stopped!

“I think the reason we sometimes have the false sense that God is so far away is because that is where we have put Him. We have kept Him at a distance, and then when we are in need and call on Him in prayer, we wonder where He is. He is exactly where we left Him.” Ravi Zacharias

We need to place into God’s hands what only God’s hands are capable of handling.

Prayer isn’t about changing things. Prayer is about being changed.

“The function of prayer is not to influence God, but rather to change the nature of the one who prays.”

Soren Kierkegaard

Prayer is an inside thing that sets us apart on the outside.

“But seek first the kingdom of God and His righteousness, and all these things will be added to you.”

Matthew 6:33 (NIV)

Five for the Drive

A family conversation starter for the ride home.

1. What are the things that cause uncertainty in your life?
2. What does the Bible say about that uncertainty?
3. How do we “rejoice” even in the midst of uncertainty?
4. What are the things that cause you to doubt God’s control? What do you need to turn over to Him?
5. How can you have peace even during uncertainty?
